DATE: February 23, 2015  
TO: Industry Test Sponsors  
FROM: Andrew Buczynsky  
SUBJECT: GM dexos® Test Registration Center Start-Up

Starting March 2, 2015, General Motors is requiring test registration of all formulations used to support dexos® approval and licensing through the dexos® Test Registration Center website. Initially, only the GM Stochastic Pre-Ignition (GMSPI) test will be registered. Additional tests will be brought online as development is completed. The attached dexos® Test Registration Manual lists the tests expected to be registered. Notice will be distributed when each test is ready for registration. GMSPI tests run prior to March 2, 2015, may be submitted to General Motors for review. Those tests deemed by General Motors as fulfilling SPI requirements of the new dexos® specification are permitted to be registered retroactively.

The dexos® Test Registration Center contact information is:

Manager: Sean Moyer  
Phone Number: 412-365-1035  
Email: [sam@dexosTRC.org](mailto:sam@dexosTRC.org)  
Website: <https://dexosTRC.org>

For those who are interested in scheduling and registering tests online, please visit the dexos® Test Registration Center website (<https://dexosTRC.org>) after February 26, 2015, and create an online user account under: LAB TOOLS or SPONSOR TOOLS. Attached is a copy of the dexos® Test Registration Manual that is also posted on the website. If you have any questions please contact Sean Moyer.

A handwritten signature in cursive script that reads "Andrew Buczynsky".
