SUBJECT: GM dexos[®] Turbocharger Coking Test Registration

Starting May 11, 2015, GM dexos[®] Turbocharger Coking (GMTC) test will be available for test registration. General Motors is requiring test registration of all formulations used to support dexos[®] approval and licensing through the dexos[®] Test Registration Center website. GMTC tests run prior to May 11, 2015, may be submitted to General Motors for review. Those tests deemed by General Motors as fulfilling turbocharger coking requirements of the new dexos[®] specification are permitted to be registered retroactively.

The dexos[®] Test Registration Center contact information is:

Manager: Sean Moyer
Phone Number: 412-365-1035
