

October 20, 2023

General Motors Company
30003 Fisher Brothers Road
Warren, Michigan 48093

Dear Valued GM dexos® Program Participant,

This notification is to inform you that the GM dexos Approval Committee has rescinded the June 2023 announcement regarding the stop production and stop sale dates of dexos2 licensed engine oils.

As a result of this decision, production and sale of dexos2 licensed engine oils may continue until further notice. This notice only applies to current approved dexos2 formulations, no new dexos2 submissions will be accepted.

New formulation submissions must be submitted under dexos1 Gen3, dexosD, or dexosR.

We appreciate your continued support of the dexos program.

Sincerely,

Aleise Jimenez

dexos, DEXRON, and DexCool Program Manager
Global Product Development

Garnet Paul Bien

GM Dex-Fluids Licensing Manager
